RE: Water District #29

Dear Darlene,

In response to your letter dated April 22, 2002. I did get the information sent 3-21-02, but the address is P.O. Box 182, Lava Hot Springs, ID 83246.

Also, if you would look at my Budget Adopted list, you will see that I have about 100 names or companies and you sent one page for about 50 names. Next year put at least 2 to 3 pages in when you send them out.

Note that I also have to have copies for myself and I have not been able to find anyone that can copy these big pages. So, please send 2-3 pages for me next year also. (That makes 4-6 total pages I will need next year.) I had to wait to finish my report until I had the proper number of pages. This seems to happen every year.

I also had to wait for the river flow report from our office in order to complete my report.

It would make it much easier for all of us to complete these reports if you would get a computer program that we could use to make this whole process easier and faster.

Thank you,

Wayne Avery
